

Tunicates , iced anemones and tube worms in Loch Sunart by Barry Kaye, 2018

Wednesday 12th December at 19:30:

Dark and dull?

Underwater wildlife photography in British waters

Personal views on the subject of photography around UK coastline. This will include a look at the photographic equipment, and the challenges faced in getting a 'good' photograph. Speakers: Gordon Fletcher (film), Lewis Bambury (digital), Jo Kaye (macro).

**In the cinema at the Gregson Community Centre,
Lancaster, LA1 3PY**

£3.00 Admission: *Everybody Welcome*
